

User Acceptance Testing (UAT) Template

Date	9 June 2026
Team ID	
Project Name	ShopEZ
Maximum Marks	

Project Overview:

Project Name: ShopEZ - E-commerce Application
Project Description: A full stack MERN e-commerce web app where users can browse products by category, add to cart and place orders. Admins can manage products and view all orders from a dashboard.

Project Version: 1.0

Testing Period: 10 June 2026 to 13 June 2026

Testing Scope:

- User registration and login
- Product browsing with category filters and search
- Add to cart functionality
- Order placement
- Admin login and dashboard
- Admin product management

Testing Environment:

URL/Location: <http://localhost:3000>

Credentials:

- Admin: admin@shopez.com / admin123
- User: register a new account on the signup page

Notes:

- Ensure that all test cases cover both positive and negative scenarios.
- Encourage testers to provide detailed feedback, including any suggestions for improvement.
- Bug tracking should include details such as severity, status, and steps to reproduce.

Test Case ID	Test Scenario	Test Steps	Expected Result	Actual Result	Pass/Fail
TC-001	User Registration	Open /register, fill name email password, click Register	User gets registered and redirected to login	User registered successfully	Pass
TC-002	User Login	Open /login, enter email and password, click Login	User logs in and goes to home page	Logged in successfully	Pass
TC-003	Browse Products	Login and view home page	All products visible with images and prices	Products displayed correctly	Pass
TC-004	Category Filter	Click on Electronics category button	Only electronics products shown	Filter working correctly	Pass
TC-005	Add to Cart	Click Add to Cart on any product	Product added to cart	Cart updated successfully	Pass
TC-006	Admin Login	Login with admin@shopez.com	Redirected to admin dashboard	Admin dashboard opened	Pass

- Obtain sign-off from both the project manager and product owner before proceeding with deployment.

Bug ID	Bug Description	Steps to reproduce	Severity	Status	Additional feedback
BG-001	Images not loading from Unsplash source URL	Replaced source URL with direct Unsplash image links	Low	Closed	Fixed by updating image URLs in seed file
